Updates

Worship
Please join us for worship online; worship can be viewed from this website. Online worship begins at 8:30 a.m. on Sunday mornings. While we hope many will view worship at that time—it gives us a sense that while we are separated, we are still worshiping together—the online worship service is also available throughout the day and week. Currently, worship services are held online only.

The Church Building
The church building is closed at this time. All in-person gatherings are suspended. Unfortunately, a re-open date for the church building is not known.

To Contact the Church, the Pastor, or Staff
The church phone has been forwarded to a mobile phone; calls and messages continue to be received. Pastoral care is available. Staff members are working and can be reached by email.

Offering
Please continue to give to the church if you are able to do so. While the building is closed, expenses continue. Offering can be given by mailing it to the church, or online by visiting the “Give” page on this website. https://umcdunes.org/give/

Where to Find Updated Information
This website and the church’s Facebook page are updated frequently.
