The Dunes Music Education Fund at the United Methodist Church of the Dunes, 717 Sheldon Rd, Grand Haven, Michigan has been created to provide free music lessons for students.

**The purpose of the fund is to classically train young musicians so they can grow to learn and enjoy performing traditional Christian and classical music appropriate for worship.**

This pilot program of the fund will provide free private piano lessons for elementary school age students. The teacher and the pilot program committee will award the scholarships. Lessons will be scheduled after school on Mondays by the teacher. She will provide course material the parent or guardian will be asked to purchase at the first lesson.

Students must commit to six scheduled lessons at the Church of the Dunes. The teacher will determine those students eligible to continue free lessons beyond the initial six. An unexcused absence may result in dismissal from the program. Our policy is that a parent or guardian must be present in the building when the student is taking the half hour lesson. Students and their parents or guardian are welcomed and encouraged to participate in worship at the Church of the Dunes.
